

2019 | 2020 SEASON

ANTELOPE VALLEY COLLEGE PERFORMING ARTS THEATRE

WELCOME

On behalf of the Antelope Valley Community College District Board of Trustees and the entire college community, I am pleased to announce the upcoming season in our beautiful, state-of-the-art Performing Arts Theater complex. The generous support of citizens of the Antelope Valley provided the capital funds which made the construction of this outstanding facility possible. We are very grateful for this support and extremely proud of this wonderful theater complex. This year the college is celebrating its 90th year, and the calendar of performances is a tribute to our storied history.

Music lovers will thrill at concerts by the Antelope Valley Symphony Orchestra and Master Chorale, including a sneak preview of some of the brightest stars of tomorrow, as we showcase the winners of the annual Concerto Competition. Jazz lovers will groove to three spectacular concerts featuring the AVC Jazz Ensemble, and AVC's all-student Symphonic Band continues to delight and astound audiences with a spectacular combination of timeless classics, overlooked masterpieces, exciting new works and familiar favorites.

Our Theatre Arts Department is constantly exploring new frontiers. This season, we're eagerly anticipating a production of Sophie Treadwell's groundbreaking 1928 play, *Machinal*, and in the spring, we'll bring *The Jungle Book* to life for our younger audiences. We're particularly proud to present the two-time Tony Award-winning hit musical, *Green Day's American Idiot* in conjunction with AVC's Commercial Music Department.

Our Dance Department keeps pushing the boundaries of artistic expression, including performances of Dance Dimensions, the premiere dance event in the entire Antelope Valley. Returning favorites include our 23rd Annual One-Act Play Festival, A Night at the AVC Improv and Shakespeare's Birthday Celebration. Keep an eye on the Theatre's website (tickets.avc.edu) for updates and some surprises throughout the Season!

As you can see our calendar is full of performances which appeal to all age groups and entertainment appetites. Please plan to join us in our beautiful theater complex and enjoy the compelling performances planned for the 2019/2020 Performance Season!
